MISS MARY NEUENSCHWANDER

Miss Mary, second oldest daughter of Abraham M. Neuenschwander, southwest of town, died at 1:30 Wednesday morning of typhoid fever. Over three weeks ago she began to feel ill, but was not seriously ill until about a week before death. Other members of the family have been sick, but not seriously, and are now considerably better.

The deceased daughter was about twenty-one years old. She leaves her bereaved parents, six brothers and six sisters. An infant son of Mr. and Mrs. Neuenschwander preceded the daughter in death.

The funeral services are being held today at 8:30 at the house and at about 10 o'clock at their church on the Christian M. Neuenschwander farm west of Berne. The burial will take place in the cemetery on the Abraham M. Moser farm.
