Stella Elizabeth Keller, daughter of Mr. and Mrs. G. W. Keller, was born at McClure, Ohio, March 25, 1881, and died at Monroe, Ind., February 7, 1912, aged 30 years, 10 months and 12 days. She came to Indiana with her parents in March, 1889. She was united in marriage with G. A. Hendricks. To this union were born three children: Alonzo, Luvia and John. After an illness of several months she passed to her reward, leaving the husband and three children, with the father, three brothers and three sisters to mourn their loss. Her mother and one sister preceded her to the other world. She was converted and united with the church at the age of seventeen years, at the old Chapel church, afterward transferring her membership to the Methodist Episcopal church, of which she was a faithful member at her death.
