

**Battle Is Over**

**Well known Farmer Died Last Evening at Eight O'Clock**

**Funeral Service Monday**

Barney Hackman one of the best known farmers in Adams County died last evening at his home four miles east of the city at 8 o'clock after an illness of six weeks duration, death resulting from typhoid fever. Mr. Hackman was forty-nine years of age and during all of his life made his home in this county following the vocation of a farmer. He was successful in this line and other business transactions, and was always fair and honest who he dealt with. He was first attacked with the fever six weeks ago and during that time his sufferings were something terrible. Two weeks ago his medical attendants successfully broke the fever, but the patient was not able to rally from the ravages of the disease and last evening he departed this life. He was a member of St. Mary's Catholic Church and was a devoted christian, and his many acts of kindness and deeds of charity will be sadly missed by those he came in contact with him. The funeral services will be held Monday morning at nine thirty o'clock at the St. Mary's Catholic Church, Father Wilken officiating. Burial will be made in the St Joseph cemetery. He leaves a wife, two daughters, two sons, six brothers, and two sisters to mourn their loss.
