## BARCLAY SMITH DEAD AT CHATTANOOGA, O

The report has been received here that Barclay Smith had died yesterday at the home of his son Harley Smith near Chattanooga, Ohio. Mr. Smith was sick only a short time and his death was quite sudden. He was not feeling well yesterday and had gone upstairs to lie down. About ten minutes later he was found dead on the bed. Funeral services will be held tomorrow afternoon at 2 o'clock from the Berne Evangelical church.

Smith is well known here, having lived in Berne for a number of years. For a number of years he operated a fish stand, going from house to house to sell fish. He had been in Berne on a visit only a few weeks ago.
