

News-Sentinel, The (Fort Wayne, IN) - Wednesday, December 10, 1997

KENNETH T. BURTON, 74, of Berne died Tuesday at Chalet Village. He retired in 1988 from the University of Illinois as a professor of structural engineering. He was formerly a research engineer at Portland Cement Association and Illinois Institute of Technology Research Center, both in Illinois. His wife, Lillian, preceded him in death.

Surviving are sisters-in-law, Esther Biberstein and Ida Houser, both of Berne, and Louise Houser of Geneva; and one brother-in-law, Harve Lehman of Berne.

Services are 2 p.m. Thursday at Yeager-Kirchhofer Funeral Home, with calling from 9 a.m. until time of services. Calling is also from 3 to 8 p.m. today. Burial will be in M.R.E. Cemetery. Memorials are to First Missionary Church or First Mennonite Church.
