DECATUR MAN DIES

Decatur, Ind., July 28 - After an illness of ten years from stomach and bowel trouble Willis Johnson, a lifelong resident of Adams county, died Tuesday at the Decatur hospital. For ten years his health had been steadily declining. The deceased was a son of Mr. and Mrs. Joseph Johnson of Forth Second Street. He was born on June 3, 1859, at what is now the Clark J. Lutz residence, just outside the Decatur city limits. He was 56 years old on June 3. He grew to manhood on a farm three miles south of Decatur and obtained his education in the public schools of his neighborhood. Mr. Johnson is survived by the widow and six children.
