

**Fort Wayne Sentinel, Allen County, Indiana; Tuesday, July 4, 1899**

James Lenhart, son of Mr. and Mrs. John Lenhart, of Decatur, died very suddenly Sunday evening at the home of his aunt, Mrs. John Gideon, near Payne, Ohio, where he was visiting. It is believed that death was caused by an internal rupture received while playing football. The young man had been ill but a short time and seemed to be improving until Sunday evening, when death came quickly. Surviving him are his parents, two brothers and one sister - Mrs. D. M. Rice of this city. The funeral will occur at Decatur Wednesday.
