AARON ODLE DIES AT FORT WAYNE HOSPITAL

Lifelong Resident of County Is Dead

Aaron Odle, 89, life-long resident of Decatur and Adams county, died shortly before noon today at the Lawton sanitarium in Fort Wayne, where he had been confined for the past two years. Death was attributed to diabetes and complications.

He was born in Adams county November 24, 1854, the son of Zethamier and Mary Andrews-Odle. He was employed as a miller in this city for many years previous to retirement. He was a member of the First United Brethren church of this city.

Surviving are two sons: Grover (article cut off)
