POLING

Delight Margaret Poling, aged 2 years and 10 months, the lovable little daughter of Mr. and Mrs. Otis Poling of 214 Phenie Street, died at 9:25 o'clock Sunday evening at the family home. Death was due to erysipelas following a ten days' illness which began with tonsillitis. And infant daughter aged eight months is also seriously ill and is not expected to recover.

Besides the bereaved parents, one brother, Dwight Ervin Poling survives. The remains of the dead child will be taken to Decatur today for interment.
