Estate of Robert Dannelley

The Administrator
in this behalf respectfully

reports to the Court that there are a quantity of
Hogs belonging to said Estate some of which are in
order for pork and others that are not all of
which are running in the wood in a manner in
which it would be very difficult for the adminis-
trator, and expensive to the Estate, to get them up
and keep them until there can be notice given ac-
cording to law for a public sale and a sale made
thereof at a public sale. The undersigned asks
the Court for authority to sell and dispose of
the said Hogs at private sale after having them
appraised according to law which sale may
be for cash in hand or a credit of
months
