State of Indiana Adams Probate Court
Adams County February 9th 1852

To the Honorable Judge of the Adams
Probate Court of Adams County, State of Indiana

The Petition of the undersigned Administrators of the Estate of Benjamin Looft deceased of said County Decrees that a part of the personal estate of the said Decedent is so situated that your petitioners cannot sell the same to your advantage at public sale because the property consists of wheat, which is a cash article and it would not be to the interest of the Estate to sell it on a long credit. Your petitioners therefore verily believe it would be greatly to the advantage of said Estate to sell the same at private sale and respectfully pray your Honor to permit and authorize them to dispose of the same at private sale and they will ever pray &c.
