OPERATIONS AT CO. HOSPITAL

Several From Here Taken to Hospital; Pearl Nichols Serious

Several from Berne and community have been taken to the Adams County hospital during the past few days for operations. Among them are Raymond Winteregg and Wilbur Kuhn, who both underwent major emergency operations Friday night. Both had their appendix removed. Mrs. Palmer Sprunger was operated at the hospital Saturday for adhesions.

Sunday, Mrs. Pearl Nichols, forelady at the Berne Overall and Shirt Co. underwent an operation for the removal of her appendix. The appendix had ruptured and she is reported to be in serious condition. Gangrene is reported to have set in. (Cut off)
