March 8, 1937

"Heartiest congratulations to you and the Bearne Bears on their victory here in the sectional basketball tournament.

"It was a great tournament all the way through, and Berne proved themselves to be worthy champions. They had what it takes when the going became tough. Be assured I will be at Huntington to encourage them all I can to carry on to the state finals.

"With best wishes for the success of the Bears and yourself beg to remain, as ever,
