BUDGET EDITOR AND VALEDICTORIAN

(Photo: Miss Louise Sprunger) Miss Louise Sprunger, valedictorian of the Senior Class, is truly worthy of this honor. During her entire four years in high school she always kept up with her school work, although she participated in many extra-curricular activities. Her average for her four years of work is 95.51.

Each year of her high school career she was a member of the Budget staff, attaining the honor of being editor in her Senior year. She was a willing helper to anyone asking for help. She took an interest in all her work no matter what she did, and was always eager to learn all she could. Louise is the type of girl who will leave high school with the initiative to go out and make a success of her life.
