SIXTH BIRTHDAY

Edward "Red" Lose, local young barber today celebrated his sixth birthday - but he is 24 years old. Edward was a Leap Year Day baby 24 years ago and thus marks his birthday only once every four years, on February 29th.

It is thought that there are several persons in the city who marked their birthday today, the first they had celebrated since 1936.

At a late hour today, a check with the hospital and local physicians reported no births on Leap Year day this year.

Thomas E., is the name of the baby boy, born Saturday to Tilman and Eva Liechty Kirchhofer at the Dubach hospital.

A lovely two course luncheon was served with Easter appointments.
