Mary Ethel Potts is Recent Bride
Monroe Township School Teacher Wed in Colorado

The marriage of Miss Mary Ethel Potts to Bradford L. Ramsey of Loveland, Colorado, took place on Tuesday, May 26, and at the present, Mr. and Mrs. Ramsey are enjoying their honeymoon in their own little hillside cabin at Loveland, Colorado. Later they will reside in their cabin in the Colorado Rockies, where Mr. Ramsey is engaged as a geologist.

Mrs. Ramsey is a daughter of Mrs. Sarah Potts of Decatur and has made her home with her sister, Mrs. Carl Schug, northeast of Berne for many years. She has almost 20 years of experience in teaching school, specializing in primary work, including some in New Mexico and in the United Brethren Otterbein Home near Dayton, Ohio. For the past five years she taught in Monroe Township, for one year at District Number 5 and the past four years at District Number 9. During the school terms for the last few years, she roomed at the home of Mrs. Fred Rohrer. She received her B. S. degree from North Manchester College, and also holds a registered nurse degree from Michael Reese Hospital in Chicago, where she did four years of institutional work.
