## Husband of Clara Soldner Passes

Belated announcement has made here of the death of James Halter of Pemberton, Ohio, who was the husband of Clara Soldner, a daughter of Peter Soldner, deceased. Mr. Halter, who was in his sixties, died suddenly while in a store. Hardening of the arteries was given as the cause, evidently causing an apoplectic stroke. The wife and two married children survive.

Funeral services were held Thursday. Mrs. Sophia Soldner, step-mother of Mrs. Halter, went to stay with the bereaved family. (cut off).
