

## Basket Ball

(By RAYMOND DILL)

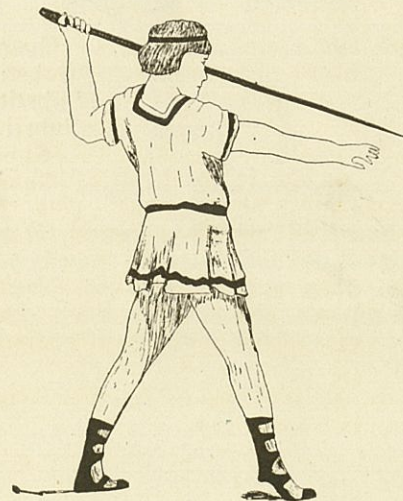

The opening of the basketball season found prospects for a winning team most encouraging, but bad luck broke and the team had a series of misfortunes which crippled the team and caused defeats that otherwise would have been victories. Just before the first game, Captain Taylor, a star forward, was ruled ineligible, and Princeton High was dealt its first blow. During the first game, Wyatt, the big, rangy center, received an injury to his arm that kept him out of the game the remainder of the season. These two losses, together with sickness and injuries in the team, made it impossible for Coach Hammond to present the same line-up in any two successive games. Due to these handicaps, Princeton was defeated by the fastest team in southern Indiana. Although P. H. S. lost eight games, honors were never lost, and there was a creditable list of victories. Coach Hammond and the team deserve great credit for the showing made under such unavoidable difficulties. Only four men were eligible for letters, Combs, Small, Webster and Miller. Prospects for next year's team are very favorable, since all the team members of '19 will again be eligible.

Following are the points made by each player: Combs, 79; Wyatt, 20; Small, 43; Webster, 10; Martin, 10; Miller, 8; Cubbison, 4; Gabbert, 3.

The team: Combs, F; Small, F and C; Wyatt, C; Miller, G; Webster, G and C; Gabbert, sub F; Martin, sub F; Cubbison, sub F; Rainey, sub G; Trippett, sub G.

## Board of Control

Luther Mayhugh .....	President
Alva Combs .....	Vice-President
Miss O'Brian .....	Treasurer
George Funk .....	Secretary
Miss Bates, Mr. Hammond	
Mr. Cockrum .....	Member ex officio

The Board of Control of Princeton High School was organized in 1912 under the direction of Principal McReynolds. It is the purpose of this board to direct and supervise all the student activities of the school.

The membership of the board is of such a nature that the pupils of the school to a very large extent manage their own activities with the proper supervision from the faculty. The board consists of a member elected from the Senior Class, one member elected from the Junior Class, and one elected from the Sophomore and Freshman Classes jointly. The three faculty members are elected by the student body without nomination by secret ballot, the three members of the faculty receiving the most votes being chosen. The Principal of the High School is an ex-officio member of the board, having no vote, but having full veto power.

The officers of the Board are a President, Vice-President, and Secretary, who are students, and a Treasurer, who is a member of the faculty. It is the duty of this treasurer to handle all money collected and expended in all the student activities.

This method of handling the activities of the school has proved very satisfactory in the eight years it has been in use.
