Notes for John S Meek / Childs:

General Notes:

John Childs was born John S. Meek on May19, 1803 probably in Kentucky. On January 30,1833 he had his name, his wife, Nancy, and their children's names changed to Childs. I discovered this information in a copy of a deed for John Childs recorded in Jennings County Indiana, April 3,1835. This was the earliest recorded deed for him under the name John Childs. Apparently John had purchased this piece of land in 1831 while his name was still John Meek. That particular deed was never recorded and the 1835 deed for the same parcel was recorded to show that John Meek was now John Childs.

The deed reads as follows: Samuel Gwathney to deed John Childs:

This indenture made this third day of April Eighteen hundred and thirty five Between Samuel Gwathney and Mary his wife of the city of Louisville of the first part and John Childs of the County of Jennings and State of Indiana of the second part Witnesseth that the parties of the first part did heretofore on the first day of July one thousand eight hundred & thirty one convey by deed of General Warranty the south west quarter of section twenty in Township Six north of Range eight east one hundred and sixty acres of land in the County of Jennings aforesaid to one John S. Meek which deed of covenant does not appear to ever been recorded and whereas it does appear by an act of the General Assembly of the State of Indiana Approved January 30th 1833 that the Legislature of said State did by said act change the name of said Meek to the (sic) of Childs that of his wife and children from the name of Meek to that of Childs the party of the first part for and in consideration of the sum of four hundred dollars to them in hand paid by the party of the second part the receipt whereof they do hereby acknowledge have granted bargained and sold and by these presents do grant bargain & assigns forever one certain tract of land situated in the County of Jennings and State of Indiana aforesaid containing the quantity of one hundred & sixty acres be the same more or less Known and designated by the South West quarter in Section twenty in Township six north of Range eight east of the Jeffersonville district To have and to hold the same with all its hereditaments and appertinances thereunto belonging unto the party of the second part his heirs and assigns to his and their only proper use benefit and behoove forever and the party of first part to and with the party of the second part do covenant and agree that they will and their shall Warrant the same to the party of the second part his heirs and assigns against the claim of claims of all manner of person or persons whatsoever unto the said John Childs & his heirs as aforesaid forever.

In witness whereof the said party of the first part have hereunto set their hand & seal the day and year first above written Int?lined (couldn't make out some of the letters) before signed Signed Sealed & delivered

The following are two sources describing the John Meek/Childs name change

Source #1

From the publication, Name Changes Granted By The Indiana General Assembly Prior to 1852, comes the following: Meeks John, Nancy and children to John and Nancy Childs, and children. The names of John and Nancy Meeks, and their infant children; Julia Ann, Maria, Jonathan, Henry, and Nancy Meeks residents of Jennings County, changed to John and Nancy Childs, also the children's surname changed to Childs. The marriage contract previously made between John

" Be it enacted by the General Assembly of the State of Indiana, That the names of John Meek and Nancy his wife, and of their infant children, Julia Ann, Maria, Jonathan, Henry, and Nancy, all residents of Jennings county, be, and they are hereby changed; and the said John and Nancy shall hereafter be known by the names of John and Nancy Childs; and their said children by the names of Julia Ann, Maria, Jonathan, Henry, and Nancy Childs; and that the marriage contract heretofore solemnized between said John and Nancy is hereby made as valid as if said John had at the time of his marriage been known by the name of Childs; Provided, that nothing in this act contained shall be so construed as to impair or in any way affect the rights of any person or persons whatever.

This act to be in force from and after its publication in the Indiana Journal, a paper printed at Indianapolis."

John married Nancy Baker in Jennings County Indiana, Vernon Township, on April 10, 1823 and at that time his name was still John S. Meek. John was a farmer in Jennings County Indiana. John may have come to Jennings county as early as 1816-17 with the Nathaniel Meek clan, but this is unproven. Nancy did come to Jennings County, along with her parents Peleg Baker & Nancy Harris Hudson, with the Meek clan. I have found John in the Jennings county, Vernon township, Federal Census records from 1830 through 1870. In 1870 John is living with his youngest son, Thompson and Thompson's family, and is listed as being 67 years old. John appears in the 1830 Jennings county, Vernon township, Federal Census as John S Meek, then as John Childs in the census years that follow. John died May 15,1873 in Jennings County Indiana. John's wife, Nancy appears in the 1850 and 1860 census by name and is listed as being 54 years old in the latter. Nancy died December 23, 1867, she and John are buried in the Zion or Old Sullivan cemetery in Jennings county, Indiana.

The following is part of a letter written Aug 23, 1979 from Donald E Marvin, descendant of Stephen Marvin who is the husband of John & Nancy's daughter Maria Childs. The letter is addressed to Mrs Helen Horstman, Jennings County Public Library, North Vernon, Indiana

"Perhaps the biggest find of my weekend visit was to learn the correct identity of the parents of my Maria Childs Marvin! I had believed all along that she was the daughter of Timothy Childs of Jennings County. I discovered after leaving the library and looking through some of my xeroxed pages that she was the daughter of John Childs! An abstract of the will of John Childs (or Chiles) on page 40 of your book of Jennings County Will Records listed Maria Marvin as his daughter. The will was dated 2 Feb. 1870 and was recorded 15 May 1873. Early on Sunday morning we drove to the old Zion or Sullivan Cemetery where your library records stated that Mrs John Childs was buried. To my surprise and pleasure we found markers for both of them: John Childs (18 May 1803-14 Feb. 1873) and wife Nancy Childs (19 April 1806-23 Dec. 1867). According to her tombstone; Nancy Childs was the daughter of P. and N. Baker. The name is spelled both Childs and Chiles on these early tombstones in the cemetery."

Over the years John was involved in many land transactions but I will list only those involving his own family.

From the Jennings Indiana County Records Office, Grantor/Grantee tract book index of 1818-1856 come the following:

Register Report for John S Meek / Childs

Generation 1 (con't)

1. John Childs to Jonathan Childs August 2, 1849, 100.5 acres for \$425.00 in T7N,R8E, S36 Vernon Township.

3. John Childs to Henry Childs September 19, 1854, 50 acres for \$500.00 T6N, R8E,S20 Vernon Township.

From an 1884 Atlas of Jennings County Indiana, Vernon Township that shows land ownership, a copy of which I obtained from The Library Of Congress, Thompson Childs, youngest son of John and Nancy, is shown as the owner of approximately 400 acres (T6N,R8E,S17,S18) that John bought in 1856. This land borders the Muscatatuck River on the north.

The first deed recorded in Jennings County, In. for John Meek:

THE LAST WILL AND TESTAMENT OF JOHN CHILES

Be it remembered that on this 15th day of May 1873 the last will and testament of John Chiles was duly proven and admitted to probate in the clerks office of Jennings County Indiana and is in the words and figures to-wit;

" I John Chiles being of sound mind and memory do make and publish this my last will and testament hereby revoking all former wills by me made."

ITEM FIRST:

I direct that all of my just debts be paid, and that my executors cause to be engraved my name and age upon the family monument which I have already purchased and which is placed at the grave of my beloved wife Nancy Chiles

ITEM SECOND:

I give devise and bequeath to Julia Ann Spencer, Maria Marvin, and Jonathan Chiles, fifty dollars each for the purpose of making them equal in amounts received from me with Henry Chiles, Nancy Sullivan, and Fountain Chiles

ITEM THIRD:

It is my desire and I hereby direct devise and bequeath that whatever may remain of my estate after paying the above bequests, and my just debts, funeral and burial expenses, and costs and expenses of Administration shall be equally divided between my children Henry Chiles, Julia Ann Spencer, Maria Marvin, Jonathan Chiles, Fountain Chiles, and Nancy Sullivan, and in making this division I direct my executor to sell without appraisal or order of Court the personal property if there should be any, and divide the money between the persons named in this item as aforesaid, instead of dividing the personal property itself. The household and kitchen furniture now in the dwelling house occupied by my son Thompson A. Chiles and myself does not belong to me the same having heretofore been either sold or given by me to him, and he having heretofore paid me therefor, and this includes the two beds and bedding which I am using and which are in the southwest corner room of said dwelling no provision is made in this will for my son Thompson A. Chiles for the reason that I have heretofore to-wit on the first day of February AD, 1870 conveyed to him certain lands in consideration of an agreement of same date by him entered unto with me. In making the division spoken of in this item I direct the same to be done by my executor without

If said money should not be paid by said Thornburg until after my death then said Henry Chiles as soon as he receives the same shall execute to my executor his note for said sum due and payable on the said first day of November AD, 1874. secured by good frehold security without relief from valuation or appraisal laws, and conditioned that he should pay the taxes thereon as aforesaid. I do by declare this to be a codicil to my will above I paid six hundred dollars for the eighty acres of land adjoining the tract of one hundred acres on which my son Fountain Chiles now lives. This six hundred was paid by me for him and was one hundred more than he should have received, as compared with what the other children (Thompson Chiles excepted) have got by way of gift and advancement, but I wish him to retain that one hundred dollars on account of services rendered by him in going to Iowa on business of his own as well as mine about fifteen years ago. In testamony whereof I have hereunto set my hand seal this 4th day of July AD, 1870 John Chiles His x Mark

I hereby declare this to be a codicil to my above will Since the 2nd day of February AD, 1870 I have paid to Julia Ann Spencer the fifty dollars named and refered to in item Second of my said will and therefore said Julia Ann Spencer shall not receive of be paid said sum of fifty dollars after my death, The said payment to said Julia Ann was made by me to her in money August 13, 1870 John Chiles His x Mark

I hereby declare as a codicil to my above will. That the \$50.00 which I bequeath to Julia Ann Spencer and Maria Marvin each in the 2nd item of my will I hereby revoke for the reason that I have since paid to each of them said sum of money. In testamony whereof I have hereunto set my hand and seal this 12 day of November 1872. John Chiles His Mark Signed and acknowledged by John Chiles as his last will and testament in our presence and signed by us in his presence November 12 1872. Jephtha D New Wm B Hagins

On May 15th 1873 John Chiles' will was brought by George W New to Joseph L Reiley, Clerk of the Circuit Court of Jennings County, Indiana. It was at this time the will was admitted to probate and duly recorded , by Mr Reiley, in the record of wills for Jennings County. The will is recorded in Book 2 pp 352-358.

Jennings County Pleas Court: Be it remembered that on this 28th day of July 1853 on the

application of John Childs he is appointed guardian of the person and persons and property of Stephen Baker, Nancy Jane Baker, Fanning Baker, and John Childs Baker minor heirs of Joel Baker deceased, and he having filed his statement in writing of the nature and amount of the estate of said minors required by law, now also files his bond as such guardian in the sum of one hundred and fifty dollars with Robert D. McCammon as his security which bond is approved by the clerk of the Jennings Common Pleas Court and said guardian being duly sworn, Letters of guardianship are accordingly issued by said Clerk.

And said guardian now also files an inventory of the estates his said Wards, which is approved by said clerk.

Ed. Note: the above children are the minor children of Joel baker, Brother-In-Law of John Childs and half Brother of Nancy Childs, John's wife.

The 1850 Jennings County Federal Census list an Amos Thomas living in John Childs' household. He is listed as 18 years old, a farmer. and born in Indiana. Amos is the son of Polly (Meek) Thomas and Anderson Thomas. Polly is the daughter of Samuel Meek and Nancy Childs.

John married Nancy Baker in Jennings County Indiana, Vernon Township, on April 10, 1823 and at that time his name was John S. Meek. John was a farmer in Jennings County Indiana. At this time I do not know the exact date John came to Jennings county. As of now 1823 will be the earliest date on record (although I believe he came as early as 1816-17 with the Meek clan) I have found John in the Jennings county, Vernon & Spencer townships, Federal Census records from 1830 through 1870. In 1870 John is living with his youngest son, Thompson and his family, and is listed as being 67 years old. John appears in the 1830 Jennings county, Vernon township, Federal Census as John S Meek, then as John Childs in the census years that follow. A search of the 1880 Jennings County, Vernon township, Federal Census lists Thompson and his family, but does not list John anywhere. It was probably during this ten year time frame, 1870-1880, that John died. (have since found record of John's will, and he died May 15, 1873 in Jennings County In.) John's wife, Nancy appears in the 1850 and 1860 census by name and is listed as being 57 years old in the latter. Nancy does not appear in the 1870 census so I believe she probably passed away during the 1860-1870 time frame. (I have since found record of Nancy's burial site and her death as listed above.)

Notes for Stephen Marvin:

General Notes:

Counties of White and Pulaski, Indiana, Historical and Biographical, Published by F.A. Battey & Co, Chicago, 1883, Pg 323

Stephen Marvin was born in Jennings County, Ind., June 26, 1826, and is one of the twelve children of Delancey and Lydia (Albert) Marvin, both natives of New York State. Delancey Marvin came to the Southern part of this State in 1817, remained a short time and then moved to Kentucky, where he lived eighteen years and then returned to Jennings County, where he and wife are yet living, aged respectively eighty-eight and eighty-five years. Stephen Marvin learned shoe making from his father, and when but thirteen years old made two pairs of shoes in a day. He became an expert, and has made his own pegs, and completed five pairs of shoes between sun. and sun. In 1843, he married Maria J. Childs, who was born in Jennings county, Ind., in 1826, and is the daughter of John and Nancy (Baker) Childs, both natives of Kentucky. To this union have been born eleven children—Sarah J. (deceased), Henry D., Nancy A., John G., William T., Lottie, Emma E., Frances M., Charles, George F., and Oscar O. In 1862, Mr. Marvin came to this township and settled on part of the land entered by his father in 1833, and here has superintended his farm and worked at his trade ever since. Mr. Marvin, with his son, William T., is the inventor of a draft equalizer, and has now an application in for a patent for a boot with only one seam (cut to save crimping), and also for a shoe back without seam and cut to fit the ankle.

Notes for Jonathan Childs:

General Notes:

This excerpt was taken from the book, The Chronicle of Moulton Iowa and its surrounding countryside, a celebration of the 200 year anniversary of the American Revolution. The article was written by Juanita Childs Babbit and Martena Childs Wilson, daughters of Marcus (Mark) Lafayette Childs, oldest son of Jonathan Childs.

One of the early settlers of Wells Township south of Moulton was Mark L. Childs. His real name was Marquis Lafayette named after the French General. He was born in Jennings County Indiana near Mt. Vernon in 1850. (Note: My reasearch indicates the town is probably Vernon In.) At the age of three he came to Iowa by covered wagon with his parents, Jonathan and Jane Marvin Childs,(Deed research shows the family came to Iowa probably in Oct. or Nov. of 1854) crossing the Mississippi River at Nauvoo, Illinois. They settled in Dallas County Iowa near Adel on the Racoon River for two or three years. (Note: Records from the Dallas County Ia. Records Office. A deed showing Jonathan selling his Dallas County property March 15,1859. It would be at this time the family moved to Appanoose County, Wells township) Because of cheaper land, they came to Wells Township Ia. trading two acres for one. (My father, Vance Childs, was told by his father Arch that Jonathan came to Wells Township because of the abundance of timber in the area.) Des Moines was a small town of 500 at that time. They cleared the land and floated logs down the Chariton River to the saw mill for lumber to use in building a small house and a barn. Mark was the eldest of six sons; Arch, Jennings, Ebert, William and Lem. His father died at the age of 43, so the sons continued farming the 700 acres in that vicinity and four of them

established farms in the same area. He married Sarah Morrow in 1877. They bought a 120 acre farm located one mile north of the Grant School which was built during the Civil War. There he raised a family of six--Jack, Ross, Arthur, Lydia, Edith and Fountain. The mother died at the age of 48 and he married Margaret Laffoon in 1906. They raised two daughters, Juanita and Martena. He lived on the same farm, having built three houses on it, until his death at age 85. He owned the farm for over sixty years. He saw many improvements in the way of living during his lifetime and was always willing for change. He owned the first car in the neighborhood, a Reo. He recalled helping the Irish build the Wabash railroad from Coatsville to Moulton. He saw the towns of Moulton, Coatsville and Glenwood being settled. He also related stories of the Civil War and Gold Rush days.

Being so close to the Missouri border, there was quite a bit of travel on the Coatsville road. One time several horsemen asked to leave their tired horses in his father's barn and borrowed their horses for a few days. They left a gold watch as security. They returned with the horses in a few days and left with theirs. Father found out later, because of certain happenings, that they probably were the "James brothers".

There was a large pond on the farm which provided a skating rink for the young folks in the neighborhood on long winter evenings. They built bon fires to keep warm while skating and often times came into our house for pop corn to conclude the evening. We also had an ice house so the neighbors helped us put up ice from this pond which was packed in saw-dust to keep it, and thus provided ice in the hot summertime for freezing ice cream and often times it was used when there was illness that required it. Like most farmers, he butchered and cured meat for the family all year. He also grew wheat and corn and took it to the mill by wagon horses to Glenwood for our own meal and flour.

He was a lifelong member of the Coatesville Baptist Church his mother being a Charter Member, he was also honored by the Moulton Masonic Lodge for his fifty year membership just prior to his death. He was a News Correspondent for the Moulton Tribune for several years. Having resided so long in the Moulton area, most everyone called him Uncle Mark.

1856 Dallas County Iowa, Dallas township Agricultural census: Jonathan, Jane, Marcus L., Archer, and Jennings are listed as a family living in said County and township. For years of residence in the state they list one year. This would lead one to believe that this solidly establishes the year 1855 as the year Jonathan and family came to Iowa, but if Jennings birthdate of January 2, 1855 is correct they must have come in late 1854. Can you imagine how hard that trip must have been on Great-Great Grandmother Jane! I believe they came in late 1854. I have a copy of a deed describing the sale of Jonathan and Jane's Indiana property. As you can see they did not return to Indiana to make the sale but instead had it recorded in Dallas County Iowa and then mailed to Indiana. This deed is as follows:

Author: John C. Odell (1916)

JAMES C. LOVE.

It is not always easy to discover and define the hidden forces which move a man to a career of unceasing activity. Little more can be done than to note the manifestation of these forces. James C. Love, a prosperous farmer, of Adams township, Carroll county, Indiana, the proprietor of "Cedar Lawn Farm" of one hundred and forty-five acres, located in section 13, is a self-made man. He has labored long and earnestly for the large measure of success that has attended his efforts. Not only has he been successful in a material way, but he has won what is far greater than material success, the confidence and esteem of his fellows.

Mr. Love is a native of Carroll county, born on July 11, 1848, in Adams township. He is the son of William and Deborah (Cochran) Love, the former of whom was born in Lincoln county, Missouri, on June 8, 1819, and the latter in Buncombe county, North Carolina, February 22, 1822. William Love was the son of John Love, a native of South Carolina, born on December 29, 1786, who emigrated first to Tennessee, and then to Missouri, where he remained a few years, after which he moved to Portland Mills, Indiana, where he lived for about one year. Moving from Portland to Carroll county, Indiana, he settled in Adams township, where he homesteaded one hundred and sixty acres of land, and there he lived the remainder of his life. John Love served in the War of 1812, being captain of a company of regular troops. His death occurred on April 5, 1867. He married Sarah Galloway, whose death occurred on September 5, 1857. To them were born the following children: William, deceased, who was born on June 8, 1819; Isabelle, deceased, November 29, 1820; Phoebe, deceased, May 8, 1822; Margaret, August 28, 1823; James A., February 2, 1825; Hugh, July 3, 1826; Joseph A., February 2, 1828, died on March 30, 1829; John, October 5, 1829, died on January 3, 1830; Sarah E., May 19, 1832; John II, January 12, 1834, was a member of Company C, Forty-sixth Regiment, Indiana Volunteer Infantry, and died about the year 1863.

William Love accompanied his parents from Missouri to Indiana, in 1829, and in the spring of 1830 they removed to Carroll county, at a time when there was not a single house on the north side of the Wabash river in Carroll county between Logansport and Pittsburg. Here William Love grew to manhood, receiving a limited education in the pioneer schools of the county. Mrs. William Love, who, before her marriage, was Deborah Cochran, accompanied her parents from Buncombe county, North Carolina, to Tippecanoe township, Carroll county, Indiana, in the spring of 1836. In 1839 they settled on a farm in Adams township, where she grew to womanhood. She was the daughter of Samuel and Sarah (Enslly) Cochran, the former of whom died on October 3, 1867, aged seventy-four years, and the latter on August 7, 1848, at the age of fifty-three years.

Mr. and Mrs. William Love were married in Carroll county, Indiana, on March

He cast his first vote for William Henry Harrison for President and until 1856, when the Republican party was formed, was identified with the Whig party. He never failed to exercise the prerogative of suffrage. He was captain of the "home guards" in 1840. When Mr. and Mrs. William Love celebrated their golden wedding anniversary in 1892 they had forty living descendants. Mr. Love represented Carroll county on the board of county commissioners for a term of three years, and, at the time of his death, January 12, 1902, was the owner of a farm of two hundred acres of well-improved land. His wife died on July 29, 1903. Both were members of the Associate Presbyterian church.

James C. Love grew up on his father's farm in Adams township and remained at home until his marriage, May 24, 1882, to Charlotte Marvin, a daughter of Stephen and Maria (Childs) Marvin, both of whom were natives of Jennings county, Indiana, where they were married.

Mr. and Mrs. Stephen Marvin moved to White county, Indiana, and spent most of their lives there on a farm. Some time before Mrs. Marvin's death, they retired to Burnettsville. She died on October 11, 1889, and her husband on April 1, 1907. Both had been members of the Methodist church, but in later years they became members of the Seventh-Day Adventist church.

Mr. and Mrs. James C. Love have had four children, Maggie May, Charles F., Nellie D. and Grace M. Maggie May, born on July 1, 1883, is the widow of Charles H. Finks, to whom she was married on December 23, 1902. He died on February 28, 1908, leaving three children, of whom Thelma Love was born on September 22, 1903; Doris May, March 12, 1905, and Charles Curtis, November 25, 1907. Notes for Marquis Lafayette Childs:

General Notes:

The following article was written by Marquis it appears for some newspaper that was doing an article featuring stories of old residents recollections of the state of Iowa or maybe just Appanoose county. The first two paragraphs appear to be written by whomever is gathering the information. The following is as it was written.

M.L. CHILDS CAME TO IOWA IN THE FIFTIES

Among the older residents of Iowa is M. L. Childs of Coatesville, Mo., locality, whose recollections of this state date back to times before the Civil War. He has written a short summary of events of interest that he recalls which will give readers some idea of the earlier days in Iowa.

Mr. Childs was born in Jennings county, Indiana, Nov. 18, 1850. son of Jonathan Childs and Jane Childs who lived near old Vernon on a farm. In that section people had to cut the timber off, roll the logs in piles and burn them before the ground could be plowed and farmed. When he was three or four years old his parents moved to Dallas, County, Iowa, by team and covered wagon, crossing the Miss. at Nauvoo, and stopping at the Coon River in Dallas Caounty. His father went to Adel and filed on the east side of Coon River.

" My father cut logs along the river and built a one-room house with one room upstairs with a pole ladder to go up stairs. He broke out some in the bottom land and raised lots of as fine corn as ever grew in Iowa, cut poles on the river land and made some pens to hold the corn and when winter came the prairie chickens hilped themnselves by the hndreds. You may guess we feasted on chickens.

When I was 5 or 6 years old my parents drove back to Jennings County on a visit. My father got a family to look after what little stock he had while we were gone.

The winters were so cold in Dallas County he wanted to go farther south. Somehow he found a man down here in Appanoose who offered to trade farms giving two acres to one. so they soon traded. But before finding him father farmed about two years. I remember he raised a few acres of wheat one year. Cutting it with a cradle and threshing or tramping it out with horses, by cleaning off a place on the ground and laying the bundles around in a circular form and I and brother got on a horse apiece and rode around in and over the wheat till it was tramped out. Then he forked the straw off and then blew the chaff out and taking the wheat some place to a mill getting some flour, very poor quality we would think now.

About two years after father traded farms and we loaded up our household goods and started over the prairie with just a path now and then to Dws Moines, crossein Coon River there on the ferry boat. The city then didn't seem to have more than four or five hundred inhabitants. Coming on down we finally found the farm with a few acres in cultivation and a small log cabin out in the field. A man had to stoop to get in the door. My father soon broke out more land and raised lots of big corn.

The gold rush was on, people passed every day and they would want corn for their teams. Father got a gooe price from them for feed. Father soon got a little money so he started to build a house out on the road with two large rooms about 14x16 with cellar under it. (Ed. Note: My father Vance

Childs remembers the old farm as a small boy. There was a house a very large barn and an icehouse on the property at that time..) There we lived and were six boys in the family. But father was taken sick in the fall of 73 and passed away being 43 years old. Mother lived to see us all married and a few years she passed on. At the time of her death she was 86 years old.

Father had accumulated and owned over 700 acres of land here in Iowa and Missouri. I remember F. M. Drake and C. A. Stanton of Centerville driving down to our place and stopping for dinner. They were looking out a location for the K. W. to Centerville. They drove down with a team and buggy. No automobiles then.

There was a saw mill on part of father's farm. Father cut and kiln-dried logs in and got lumber to build the house, hauling in some logs to make the lath for the house, sawed the plank 1-2 inch thick. He got a plane with a knife gauge in it, cut the lath any width you wanted, sawed off some blocks and drove out shingles to cover the house. He went up near Ottumwa to a lime kiln and got lime to plaster the house, drove an ox team after it. I remember and saw these towns go up : Moulton, Coatesville and Glenwood; worked on the grading of the Wabash with the Irish got m finger pinched dumping dirt with them.

Archer Childs obituary; The Lindsborg News-Record, Lindsborg, Kansas:

Archer Childs was born in Davis County, Iowa(My research indicates he was born in Jennings county, IN.) April 19,1853, and passed away at the Masonic Home, Wichita, Kansas, Monday, September 29,1930, at the age of 77 years, five months and 10 days.
He was united in marriage on April 15, 1876, in Scyler(Schuyler) County, Missouri, and from the union came a family of six children, one of whom, a daughter, Mrs. Lillie Riese(Rees) passed away.

The Childs moved to Kansas in the late 90's.(My records show they were in Kansas at least by 1879 where their oldest child, Ellie was born. In 1880 they are back in Coatsville, Mo. as per the 1880 census. They returned to Kansas at a later date.) The family was originally bound for Rice County, but harvest time brought them to Lindsborg, where they decided to establish their permanent home. The family was of the Baptist faith.

Mr. Childs, a well known citizen in many community circles during his 30 years of more in the city, established a produce house on the site of the present Standard Oil filling station. He was also engaged in other business ventures in Lindsborg at other times. In civic life Mr. Childs served as city marshal for a considerable period, while his interest in athletics won him a big place in the hearts of particularly Bethany college players. It is said of Mr. Childs that he often furnished turkeys for the football dinners of the Bethany boys, as well as being one of the most enthusiastic followers of the team.

A few years ago Mr. and Mrs. Childs took up their residence at the Masonic Home in Wichita, where they were residing at the time of Mr, Child's passing.

Surviving the departed are his wife, two sons, Dr. Frank Childs of Lyons and Allen Childs of Lindsborg; three daughters, Mrs. Robert Eklund of Lindsborg, Mrs. Clovis V. Johnson of Wichita and Mrs. Dr. Kirby of St. John; two brothers, Mark Childs of Iowa and William O. Childs of Coatsville, Missouri, as well as a host of other relatives and a great body of friends.

The funeral service was held Tuesday, September 30, from the Danielson Funeral Home, Lindsborg, Kansas, at 11:00 A.M. The McPherson Masonic Lodge No. 172 was in charge, Mr. Davis of McPherson conducting the service. Appropriate songs were sung by Mrs. Hilma Boetther. Interment was made at Elmwood cemetery.

The body lay in state at the Danielson Funeral Home until the hour of the service.

The following excerpts are taken from a wonderful letter written by Florence (Eklund) Shogren, the Granddaughter of Archer and Mary Ann Childs:

Archer sold flour and brooms for a time and then got into the produce business. Daveta and Alan, Arch's two youngest, had to help catch chickens and crate them.(The business was in Lindsborg, Kansas)

In 1929 a Lem Childs, (Archers nephew and son of Oscar William Childs) a young man from Missouri came to Kansas to work during summer. My Dad helped him find jobs with neighbors there. He gave his money to my mother to keep safe for him until he went home. One night Mom and Dad were wakened and heard someone in the closet, where mom kept the money, of their bedroom. They yelled at Mom's brother, Alan, to bring them a flashlight. Alan was startled out of sleep and stumbled around over furniture, vocally expressing his irritation, but finally brought the

Register Report for John S Meek / Childs

Generation 3 (con't)

flashlight and threw it on their bed. When they retrieved it and aimed it on the closet door, they found me standing and yawning there----I had been sleep walking!

The moving pictures were shown in Lindsborg during the 20's. Arch Childs was known for his booming voice and hearty laughter. Rumor has it that the owner of the theater would urge Childs to attend the comedy shows because his loud laughter would cause others to buy tickets and see the show to find out what the attraction was. I think they even said they let him in free.

He was a strong supporter of the Bethany College (Lindsborg) football teams. He had a small bunkhouse building on the back edge of their lot that some of the football players stayed in during the school year.

Grandpa Childs was an avid fisherman so spent a lot of time down by the Mill close to the dam of the Smoky Hill River. He loved to fish and usually brought home some nice catfish for their table. I remember him riding a bicycle a lot---he gave up trying to learn to drive a car since it wouldn't stop when he said "Whoa".

Memories of Grandparents Mary Ann and Archer Childs by their Granddaughter Florence Shogren, daughter of Daveta Childs Eklund. Florence wrote them in August 1999.

" Grandma and Grandpa Childs (Ann and Archer) lived in a small house at 329 S. Third St. in Lindsborg, Ks. on a corner lot. The house is still there with some modifications. There was a cave on the north side of the house now there is a garage over it. Grandma kept canned food, potatoes, onions, and other staples there. Davita inherited her mother's fear of storms so the cave was used as shelter whenever there was a chance of storm or bad weather. The town of Marquette, Ks. (about 8 mi. west of Lindsborg) had a devastating tornado there in 1903. So Lindsborg people were aware of the dangers and damage such a storm could do.

Daveta told of her father Archer treating some of the Bethany College football team to cold beer one day. He had the beer in the cave--next day the neighbor lady, Elvera Seitz came to Ann and wondered why so many men were going to the Childs' cave! I don't know what answer Grandma gave her.

There were fruit trees, grape vines, currant and gooseberry bushes and a garden spot in the backyard. There was also a small washhouse and an outhouse at the end of a path east of the house by the alley.

When Daveta was about 10-12 years old her sister, Lillie came home to visit. After they went to bed the two girls kept chattering, giggling and laughing. Grandma kept telling them to be quiet so everyone could sleep. They didn't mind. Eventually they decided to get up and go to the outhouse (Privy). They were still talking and laughing on the way back to the house. Suddenly a white ghost like figure raised up from behind the gooseberry bushes, moaning in a low guttural voice, girls screamed and ran for the house calling Mother, Mother !

They didn't find Mother. A few minutes later she came in the back door laughing for all she was worth. Early next morning it started to rain so Grandma went outside to look for their slippers. Said she found two pairs, each sitting side by side. Evidently they had jumped straight up out of their footwear and took off. So Grandma was not above playing tricks on someone. She always laughed heartily every time this episode was recalled.

Daveta and Allen (her younger brother, a year younger) were like a second family, so much younger than the first four children. Archer had decided that Daveta should stay at home to care for them as they grew older. she was so lively and popular, he had a time keeping track of her. She ran off with a boy-friend intending to marry. Meantime Grandpa found out the " friend " was already married. He managed to intercept them at Hutchinson, Ks. and took her home.

In March 1918 Robert Eklund and Daveta Childs eloped and were married in McPherson, Ks. by

Register Report for John S Meek / Childs

Generation 3 (con't)

Judge Walker. Friends there gave a wedding supper for them. They went by train to Kansas City for their honeymoon. Grandpa was upset when Ann told him of the marriage. She knew ahead of time of their plans and had made Daveta's wedding dress. By the time they returned to live on the Rodney Jenkins farm (4 & 1/2 miles SW of Lindsborg) Grandpa was reconciled to their marriage and was eager to visit them on the farm.

Grandma Ann told of going to camp meetings to hear ministers preach the gospel and she was baptized in a creek. I presume that was in Missouri or Iowa before they came to Kansas in a covered wagon in 1878. Grandma was good at sewing and made a lot of their clothes. Daveta said she would see a dress, go home and describe it to her mother and she would make Daveta one just like it!

In the early 30's my folks lived on a farm at Bavaria, Ks. (10 miles west of Salina). Grandma Ann was a widow then and lived with her children, most of the time with the Eklunds who had four kids by then. Allen Childs came to live with us for a while to help Dad with chores and field work. Grandma wanted to mend a hole in Allen's shirt. She couldn't find material to match, so she snipped off part of the shirttail to patch it. Allen was perplexed when he tried to put on a clean shirt and didn't have a tail to tuck in ! He wasn't thrilled with Grandma's good intentions."

Ann and Archer were visiting us at the farm near Roxbury, Ks. (14 miles east of Lindsborg) about 1928. I was nine years old, brother Bob eight, sister Jane five and brother Gene three year. We were all at the supper table eating fried potatoes and pork and beans. During the meal Grandpa stopped chewing, pulled something out of this mouth, held it up to get a good look and said " Uh-huh, somebody's tooth in the beans. " We were dumbfounded then Grandma said " Pop, feel in your mouth maybe its one of your own teeth." He did, sure enough it was from his dentures. What a relief !

Daveta used to tell of her folks taking Allen with them to Missouri one time to visit relatives. I think mainly her grandmother Jane Childs. They traveled by train and Archer didn't want to spend the money to take Daveta. They arranged for her sister Effie to come and stay with her. Daveta always felt deprived for not getting to go with them to Missouri. Allen told her all about the relatives and the trip when they returned. Daveta and Allen were good pals and always had a good time together. Daveta had long black curls early in life but when she went to school she begged her mother to cut her hair. Finally Ann gave in to her and started cutting the curls off. In the process Allen walked in and had a fit ! " Why are you cutting her curls off I liked her hair with curls. I won't go to school with her now! " And he was practically in tears. Daveta said poor mother, she picked up a curl off the floor held it up to my head but had to admit there's no way I can put it back so she had to finish the job.

After Archer died Grandma left the Masonic Home in Wichita and lived with her children. Most of her time was spent with the Eklunds on the farm so she watched us grow up. I count it a blessing to have had her so close and got to know her so well. I regret that I didn't take notes and record a lot of the stories she told about their years in Iowa and Missouri, then in Kansas. I have a walnut parlor table that grandma and grandpa had. Aunt Effie had it for a while but gave it to me after I got married. When Effie got it, it had several coats of paint on it. Her husband, Clovis Johnson, stripped it and refinished it so it's natural wood now.

When I was a young girl and stayed over night I would sleep with grandma in her feather bed. One time grandma had plucked duck feathers and had them stored in sacks in the washhouse. Allen had found a coon He decided to put it in the washhouse for safe keeping. Next day Ann went to the washhouse to do the laundry. As soon as she opened the door what a sight ! I can hear he saying " Lordy, Lordy." The coon had attacked the feather sacks so all were ripped open and feathers filled the room. I don't suppose those featheers were ever used for a mattress on a pillow.

Archer liked to hear music so he invested in a piano and had Daveta take piano lessons. She

Register Report for John S Meek / Childs

Generation 3 (con't)

learned to play quite a bit and was a good singer. (soprano) She sang in the Lindsborg Messiah Chorus for many years. The Messiah festival is held every year at Easter in Lindsborg and is still a tradition for Bethan College and the community."

Fabius Township News

Shooting occurred Sunday December 16, 1894

The Grapevine brings the following account of a shooting scrape, which occurred at Coatesville, Missouri last Sunday. It appears that one Riley had objected to a young man named Long keeping company with his daughter; and fearing an elopement, had removed a part of her belongs to her brother-in-law, William Childs. Childs caught the young couple trying to steal these, and ordered Long off the premises. A dispute then arose in which Long is said to have made threats, at which Childs went into the house and got his gun and shot Long twice, who then turned and ran. Childs followed and shot him twice more. The boy then fell and Childs returned home. Friends came to Long's assistance and he was carried home, where he now lies in a dangerous condition, attended by Doctor Tadlock and Doctor Rambo, of Glenwood, Missouri. Childs gave himself up and was bound over. The girl's name was Mary (Mollie) Riley. (Mary is the daughter of John & Mary Riley) Editors note: Great-Grandpa William was found innocent! Vance Childs states his father Arch, son of William, said that the Defense lawyer asked that all of William's children cry in the courtroom during the trial.

Laura Riley is the daughter of John Riley and Mary Jane Thompson [85, 160, 161]. She was born on 03 Mar 1867 in Iowa [86]. She died on 07 Jun 1932 in Schulyer Co., Mo. [69, 162]. Funeral on 10 Jun 1932 in Coatesville Baptist Church [163]. Burial on 10 Jun 1932 in Coatsville, Mo. [162].

Notes for Laura Riley:

General Notes:

Laura's birth father is James Wesley Edwards as recorded on her death certificate. John Riley and her mother Mary Jane Thompson Riley married when Laura was five years old. Laura was aware of who her birth father was because on the birth record of her son Arch her name is listed as Laura Edwards. Her death certificate also names her father as Wesley Edwards. I doubt if Laura ever knew her father because she and her Mother were living in Kansas City Missouri in by 1870. Mary Jane was single & working as a Domestic. Mary Jane & Laura had returned to Iowa by 1872 the year Mary & John Riley wed.

Lancaster, Missouri Historical Museum:

In June of 1991 Vance Childs with his son Gary & nephew Patrick went on a genealogy trip around the Coatsville, Glenwood, and Lancaster Missouri areas. While in Lancaster we visited the Historical Musuem and made an interesting find. There on the wall was a large quilt with sunflowers embroidered on it, each flower pedal had a name embroidered onto it. The names Laura Childs and Mrs Alfred Ross Childs were on two of the pedals. The quilt was part of a fund raiser held in Lancaster in 1924 or 25 and for 10 cents you could have your name added to the quilt. Mrs. Alfred Ross Childs would be Florence, Ross' first wife and Laura is Oscar William's wife.

Laura spoke with and Irish Brogue.

Notes for Lemma Childs:

General Notes:

On June 9, 1998 Vance Childs, Patrick Childs and Gary Childs visited Glenwood and Lancaster Mo. trying to find information about Lem Childs and his family. The only information we knew about Lem was that he had a Buggy shop in Glenwood at one time. We stopped in Glenwood at a small mercantile store on Main St. to ask for directions to the local cemetery. We searched the cemetery, located just west of Glenwood on the road to Coatesville, with no success. We went back to Glenwood and started asking around, and before you knew it, we had quite a gathering of the local folks all wanting to help us out. None of them could remember Lem but some of them knew our Childs family and Vance knew some of them. One of the fellows said there was a cemetery near his house and we could follow him home and he would show it to us. We followed him about 3 to 5 miles north along the road to Coatesville, then turned west to the cemetery about 1-2 miles along a gravel road. We searched the cemetery with no luck, although we did find a Theodore F., Josephine C., Cynthia J., and Joseph S. Locker buried here. After this we drove back to Lancaster, where we had been earlier in the day, and there we visited the Historical Museum. The lady working here was able to provide us with some Childs information. It seems that in 1981 the Office of Historic Preservation from Jefferson City, Mo. put the building that housed Lem Childs' Buggy Shop on their Historical Inventory. We were provided with the written description of the building along with photos of it. We took this to the local Library to make copies, and while here we were able to view a microfilm of the 1910 Schuyler Co. Glenwood Twp Census. On this census we found Lem and Raina Childs. They were 45 years old, had been married 12 years. The census listed Lem's occupation as Retail Merchant, Vehicles. Note: After seeing the picture and written location of Lem's Buggy Shop, Patrick and I realized that the Mercantile store we had stopped in at Glenwood to ask for directions was in fact the Buggy Shop building!

At the Historical Museum, there is a very large Quilt hanging on the wall. This Quilt was used for some sort of fund raiser in 1924. The lady working at the Museum said that in 1924 for 10 cents you could have your name embroidered on it. We found the names Arthur Ross Childs and Laura Childs. The Museum is located just west of Lancaster a few blocks. The Museum also had a copy of Mrs. Ross Childs (Florence) Obituary from the Excelsior Newspaper.

Note: this would be in Paris Crossing, Indiana) This store still remains today under a new family. William C, Humphrey sons William O. Jr. and Alfred (Fred) Humphrey helped their father fojr years. William G. Sr. and Anna Humphrey buolt a large frame home west of Paris Crossing on hill overlooking the town. He also huolt a large barn for peddling wagon and horses, and owned some other land.. weekly. One wagon went to Marion township and on to near Crothersville, where it stayed over night on a regular stop. Some of the drivers were Frank Malcomb, Grandville (Granville) Childs, Tom Buckles, Clint Childs, Noah Perkinson, Ira and sometimes Arnold Humphrey sons of William G. Jr., Weber Fitch, Herman Buckles, drove another wagon to Centerville and across to Graham and back to Hopewell and then home. Other drivers were Walter Reeves, Lawrence James and Bob Simmons. Grandfather Humphrey bought many or I should say traded for eggs, rabbits, chickens, grain or anything the farmer could trade. When the Peddling wagon came in all eggs had to be candled, so the youngest son Alfred Smith Humphrey had to help in this way, being to young to clerk or drive a wagon. Later the eggs were shipped by refrigerated railroad cars to New York and then points east. This being the way that the merchant could redeem his money and purchase more merchandise. "

Arch's obituary as written by his sister Mildred:

Obituary

Arch Childs of Moulton, Iowa was born in Appanoose co. Iowa on February 11, 1890 and departed this life at the St. Josephs Hospital Ottumwa, Iowa August 22, 1937 at the age of 47 years, 6 months and 11 days. After graduating from the Rural School Arch chose as his life vocation farming, which he pursued until his death. He was one of the progressive farmers of this community. Arch was united in marriage to Miss Olive Frakes on April 12, 1913. And to this union were born two daughters, Maxine and Kathleen and three sons, Milton, Vance and Edwin. Arch was known to his friends and relatives as possessing a sterling character, high ideals and principles. During his brief illness he bore his suffering with patience and unusual cheerfulness. Arch leaves to mourn his departure his devoted companion Olive, two daughters Mrs Maxine Davis of Colo, Ia. and Mrs Kathleen Marshall of Moulton, Iowa. Three sons of Moulton, Ia, Milton, Vance and Edwin. His father Wm. Childs of Coatsville Mo. four sisters, Mrs Ella Ballard of Girard, Ill, Leva McClurg, California Mildred Horn and Helen Hunt of K.C. Mo. five brothers, Elmer of Moulton, Geo. and Cleo of Des Moines, Leon of Ottumwa and Lem of New York City and many other relatives and a host of friends are also left to mourn his passing.

June 9, 1998: Vance Childs, Pat Childs, and Gary Childs made a trip to the Lancaster Mo. Records Office. We found Arch's birth record. It read as follows. No. 674 Date of Return March 9, 1890: Name, Sex, and number of child(name had not been given yet) fourth: Date and place of birth: Feb 11, 1890 Coatsville Mo. Nationality and place of birth of father: American, Appanoose Co. Iowa: Age: 30 Nationality and place of birth of Mother: American, Appanoose Co. Iowa: Age 23 Full name, Maiden name and residence of Mother: Laura Childs: Laura Edwards Coatsville, Schuyler Mo.: Fathers name and occupation: Oscar Childs: Farmer: Person making certificate: A.J. Eidson M.D. Coatsville Mo.

When the Great Depression struck in the late 1920's it was impossible for the farmers to pay their monthly mortgage payments, so the owner's of the Mortgage would have to foreclose. Once foreclosure had been done the farmer had one year to redeem the farm. During that year the mortgage holder could make the farmer sell his crops and stock and put that money towards the mortgage. This was a hard situation because if the farmer sold his stock he could not work the farm and without crops could not feed the stock or his family, thus making it impossible to be able to reclaim the farm. To combat this Arch and Dr. Elmer Lee Cox devised a plan. Dr. Cox was married to Winney Childs the oldest daughter of Jennings Childs who was Arch's Uncle. Arch had his sons Vance and Milton round up all the stock on the farm and drive them into the town of Coatsville, have them weighed and then drive them back home. The boys did just that without knowing why at the time. They found out late that the stock had been sold on paper only to Dr. Cox. Another paper sale was performed later when the corn crop came in and it was sold to Dr. Cox. the corn in fact was stored on Arch's farm to feed his stock. Ed. Notes for Vance Eugene Childs:

General Notes:

Vance was born and raised on a farm in Iowa (Moulton Ia. area) Served in World War II with the United States Army. After the war he worked at the Ford Garage in Centerville, Iowa. Moved to Tucson Az. on February 9, 1951 and worked at Douglas Aircraft. Then he spent 20 plus years with Rite-Way Ventilating Co. Vance retired from Rite-Way in 1981. Vance attended Moulton High School. As a child he remembers walking from the family farm in Appanoose County, Iowa south of Moulton, 2&1/2 miles to the Coatsville church in Schuyler County, Missouri with a penny for the collection plate. Vance's military; He was inducted into the US Army on August 10, 1942 at Camp Dodge in Des Moines, Iowa. He was then sent to Fort Leavenworth Kansas on August 22, 1942. Two weeks later Vance was sent to Fort Lawton, Seattle, Washington. Three weeks later, October 1942, he was sent to Prince Rupert British Columbia where he remained for just over two years. Vance was then sent back to Fort Lawton, Seattle, Washington. During this time Patty & son Jack, rode the train from Centerville, Iowa to Seattle and lived in an apartment for what turned out to be only for a few months because Vance was again shipped out, this time to Camp Beal, Marysville, California. Patty and Jack returned to Centerville. Shortly after arriving at Camp Beal, Vance was sent to Camp White, Medford, Oregon for what turned out to be about a six week stay. He was then sent to Florence, Arizona to help guard German prisoners of war. Within two months Vance was again moved back to Fort Lawton, Seattle, Washington where he remained for 1 year and then was sent to Fort Lewis, Washington where he was discharged. Vance was kept out of a combat unit during the war because of his hearing in one ear. He was assigned to supply units and as the war ground down he was used wherever needed. One note of interest is that his brief time spent at Florence, Arizona, and because of health issues with his lungs later on, would lead him to take up permanent residence with his family in Tucson, Arizona. Vance and family; Patty, and sons Jack and Gary left Centerville, Iowa on February 4, 1951 and drove to Tucson, Arizona. We stayed in motels (cabins) along the way. The first night we stayed in Leavenworth, Kansas; second night Bristol, Oklahoma, third night Ruidoso New Mexico, fourth night San Simon, Arizona and on the fifth day we arrived in Tucson February 8, 1951. As we traveled we would see signs warning that the next gas station along the road was the last place to get gas for hundreds of miles. We would always pull over and top off the tank because we didn't want to get stranded in the middle of nowhere. The further we traveled my parents realized that the signs were just a ploy to get travelers to stop for gas and from then on we just got gas when needed.

Notes for Jackie Lynne Childs:

General Notes:

Jack has been a hunter of note since the early 1960's. He hunted coon and bear from 1963-1975 and has hunted Mountain Lion exclusively since 1975. On August 31, 1996 Jack and his hounds treed a Jaguar in the Baboquivari mountains west and south of Tucson Az. Jack and his wife Anna video taped the treed Jaguar for 30 minutes or more, pulled back, let the Jaguar escape and went home as pleased as punch seeing as how this only happens to a hunter once in a lifetime or so, if that often. Also along were Matt Colvin and Gavin Weller. Jack showed this video of the Jaguar to the Arizona Game and Fish Dept. and it caused quite a furor. There are lots of people and organizations interested in this cat. And as one thing led to another Jack and Matt are scheduled to make a trip to Brazil May 1, 1998 to study the kills that Jaguars make. By being able to determine whether an animal has been killed by a Jaguar Jack and Matt will be able to apply this knowledge to animal kills made on Arizona ranches. If it is determined the kill was done by a Jaguar, Game and Fish can pay the rancher for his animal thus preventing the rancher from killing the Jaguar. -----Jaguar video presentation encourages public participation, comment In an effort to inform the public about the status of jaguars in southeastern Arizona and southwestern New Mexico, and the conservation efforts of the Arizona-New Mexico Jaguar Conservation Team, a special round of community video presentations have been scheduled. The presentations, narrated by noted photographer, author, and wildlife tracker, Jack Childs, are sponsored by The Jaguar Conservation Team of Arizona and New Mexico. A panel including representatives of federal and state agencies, conservation organizations, and regional private landowners will be on hand to answer questions. A special focus of the event is to gather information and suggestions from public. The program, titled "On the Trail of the Jaguar," is scheduled for presentations in Bisbee, Douglas, Patagonia, Sierra Vista, Nogales, and Arivaca Arizona, and in Animas, New Mexico, beginning in Bisbee at the Copper Queen Library on September 23 from 5-7 p.m. More presentations are scheduled for New Mexico later in the year. With three sightings of jaguars in southern Arizona and New Mexico since 1996, there has been increased interest in conserving these magnificent animals at the local community level. In his video presentation, Jack Childs -- known for his rare jaguar photographs and tracking expertise -- will describe his jaguar research in Brazil and his continuing work through the Jaguar Conservation Team to document jaguars in the borderlands region. Jaguar Conservation Team outreach chairman, Scotty Johnson, says the presentations are offered to build collaboration and address concerns about the presence of jaguars in the region. "We need the help of citizens and landowners in protecting this precious piece of America's wildlife heritage. This promises to be a fun and informative way for people to meet and learn from each other," said
