Harris ALKIRE, son of Mr. and Mrs. Will Alkire of Dana who formerly lived here, was injured in an auto accident a few days since. The car in which he was riding with Herbert Dunivan, Opal and Florence Harper was in a head-on collision with another car on Rd. 36 north of Newport. Alkire was rendered unconscious and suffered concussion of the brain. The others but slightly injured.

Harris Alkire is reported to be on the road to recovery. The accident happened because both cars were running without lights. Don't forget that the motor cops will be looking over lights next week and be sure that yours are all right. Even if the cops don't see you, you might meet some other careless person.
