

ANDERSON – RAMSBROOK

Source: Crawfordsville Daily Journal 3 Dec 1890

Two Fires – Yesterday the residence of Mr. Anderson on west Pike street took fire from a defective flue and for a while it looked like a conflagration but the disaster was averted by neighbors. This morning the flue in the residence of Harry Ramsbrook near the fair grounds, took fire and the flames were extinguished by Chief Weidle mounting the roof dropping salt down the chimney.
