Source: Waveland Independent Waveland, Montgomery County, Indiana Oct 31, 1946

Mr. and Mrs. CE Brooks quietly celebrated their 53rd wedding anniversary at home here Tuesday and were receiving the congratulations of their friends. Mr. Brooks related that he and Mrs. Brooks were married in Texas County, Missouri in a one room log house on a very clear frosty day for Missouri or any other place as far as that matters. Mrs. Brooks' family had moved from Michigan to Missouri and had taken up a homestead where they were making their home. It was here that Mr. Brooks met, wooed and wed Mrs. Brooks. - typed by kbz
