

JETTIE BROWN - bad babe

Source: Crawfordsville Daily Journal 20 Nov 1893 p 3

For some time past, that notorious old she, Mrs. Jettie Brown, has been operating her dive on South Grant Avenue. The place has become so infamously bad that the police raided it Saturday night. The women and a couple of men were arrested and fined in the Mayor's court this morning. Mrs. Brown should be driven out of the city without delay. - kbz
