

## **BUSENBARK ELEVATOR FIRE**

Source: **The Vidette-Messenger (Valparaiso, Indiana) - Monday 6 July 1942 p 3**

**Waveland, Ind., July 6 - Fire officials searched the ruins of the huge Busenbark grain elevator today for clews leading to the origin of the blaze that did approximately \$25,000 damage last night. The spectacular conflagration that could be seen for several miles was brought under control shortly after midnight by firemen from Crawfordsville and Waveland. It was discovered at ten p.m.**
