

Carson BUSHONG
Montgomery County, Indiana
Waveland Independent
Waveland, Montgomery County, Indiana
Sept 30, 1927

Hurt Carson Bushong came home from Hoopeston, Sunday, after working in the canning factory for 3 weeks. But on his last day he had the misfortune to get knocked in the back of the head and had to have stitches taken; but he counts himself lucky not to be killed as it was one of the heavy derricks that run off the track.
