

Mrs. S. E. CUPPY  
Waveland Independent  
Waveland, Montgomery County, Indiana  
Friday, April 8, 1904

On Thursday afternoon, Mrs. S. E. Cuppy was standing on a chair to reach some article from a high shelf. In stepping down, the chair turned, throwing her to the floor and breaking both bones of one limb, just below the knee. While serious at best the fracture does not seem to be complicated with splinters. Mrs. Cuppy is resting as easily as can be expected.
