Harvey Canine running for office

J. Harvey Canine, our former fellow citizen, but for the past 6 years located in Crawfordsville, announces his desire to serve the people as Auditor. We all know Harvey and we are safe in saying that he has the good will of everybody in this community. He has been active in politics since he was old enough to vote, and if there is any good thing that his party can hand him, he certainly deserves it. Political opponents will credit him with being fair and willing that every honest voter should register his will. He served as Co. Chairman in 1906-08 and it was in these years that the "pure politics" agreement was first made effective. For the past 2 years he has been employed in the Co. Engineer's office, and this has made him familiar with much of the work he will be called on to do as auditor. As was said for him in the K. of P. Lodge, J. Harvey has been the oracle of the law and holder of all the jobs that nobody else wants. Now give him a chance at something worth while.
