Special to Journal - Ladoga Aug 21 - George Eisher, 78 years of age , was accidentally run over Tuesday evening by a car driven by Mrs. Ernest Everhart.

Mrs. Everhart was driving east on Main Street and was turning south on the Carrol Store Corner where Mr. Deisher attempted to cross the street, stepping directly in front of the machine. Mrs. Everhart dodged the aged man, but he suddenly turned in such a manner as to cross again in the path of the car. He was knocked to the ground.

Three ribs on his right side are broken and his shoulder on the left seriously bruised. Following the accident Mr. Everhart, who was riding in the automobile with his wife, took Mr. Deisher to his home and summoned medical aid.

As Mr. Deisher lives alone he will be kept in the Everhart home until his recovery. Mr. Deisher's sister-in-law, Mrs. Mollie Deisher is here assisting in nursing the injured man - kbz
