Waveland Independent

Waveland, Montgomery County, Indiana Thursday, August 15, 1940

"Mary and John" Oldshue write from St. Petersburg, Fla. Dated August 8, saying:  
"We had six relatives from Savannah, GA for our 50th. We received 26 anniversary cards, 4 telegrams and many local congratulations. It was a lovely day. We went out to breakfast and had a special table at a cafeteria, with a fine cake for a centerpiece. We wish to thank our Indiana friends for the lovely bouquet of yellow roses and the many lovely cards. We are having plenty of rain and the usual weather. Are in better health than at this time last year. Hope to be able to see you next year." Enclosed was a photo of Mr. and Mrs. Oldshue with the Indiana friends roses. We are certainly glad that they are in better health and may celebrate the anniversary many more times, if not the 50th.
