---

Word has been received that William Foster Oldshue, a graduate of Waveland High School who is now a Sr. in DePauw Univ was awarded a Phi Beta Kappa membership. Mr. Oldshue is the son of Mr. and Mrs. John Oldshue who own and live on the Union Stock farm about a mile from Waveland. Foster, as he is known locally, won a Rector scholarship by having the highest standing in his class in high school; this scholarship he has held throughout his University course by the high grade of his work. Foster was editor of the Waveland HS paper during his Sr. year. It is a credit to the school as well as an honor to himself that Mr. Oldshue has been awarded the Phi Beta Kappa. Following is a letter to Mr. Oldshue from Henry B. Longden, director of the Rector scholarship fund: "Dear Mr. Oldshue, let me congratulate you on your election to Phi Beta Kappa. This is the highest scholarship honor that can come to a young man, and I am sincerely glad that you secure it. It ought to be a fine start for you for a life of scholarly endeavor. All of the new Phi Beta Kappa men are Rector scholars. Sincerely your friend."
