

HARRY SWAN runs for Councilman - 1913

Source: Crawfordsville Journal Wednesday, Sept 24, 1913

Harry Swan is the candidate for councilman from the first ward. Has been a resident of the city all his life. Has worked at the brickmason's trade since he was old enough to handle a trowel. He comes from a family of clean people who have been respected in the city for 40 years. No man in this city is in closer touch with all classes of our citizenship and better understands the needs of all its people than he. Has any graft or act of public dishonesty ever been laid at his door because he was a member of a party? He is a young man, clean of character. He was nominated by his ward after repeatedly noticed in the Crawfordsville Journal in a public convention and nominated unanimously. His knowledge of contract work, cost of construction, of actual needs and technical requirements in public improvement matters is an invaluable asset to any city. From his past life here, can he be trusted?
