

ALMA ALEXANDER BLAKE THOMPSON - stroke

Source: Unknown newspaper - she has an obituary in the Crawfordsville Journal-Review on 2 December 1946 p 7 so this is obviously before that -- had a notation that it was Jan 4, 1916 (Crawfordsville Review) so this is either two Mrs. Cyrus Thompsons or one of the dates is incorrect. Hmmm, let me know if you have any ideas about this -- kzach

Mrs. Cyrus Thompson, 75 years old, 808 West Main Street had a stroke of paralysis Monday morning. She has been an invalid for several years with hardening of the arteries. Her condition, however, has been normal until after the sudden attack. Her death is expected momentarily. She is the mother of Miss Lillian Thompson, court reporter, and Mrs. Alvin Breaks, of this city. Three children living in Missouri were notified of their mother's condition. -- kbz
