

Mrs. James Trout & daughter

(NOTE: probably Martha Jane Good d 4 March 1941 buried Zionsville Lutheran Cemetery.)

Source: Waveland Independent Waveland, Montgomery County, Indiana Dec. 18, 1914

Trouts - no smallpox On account of Mrs. James Trout and her daughter being sick with some kind of eruptive disease, the report got out that they have small pox. The cases have been inspected by the local health officer, who assures us that there are no symptoms of small pox whatever.
