The Tally-Ho Cycle Club of Crawfordsville has issued an invitation to the wheelmen of our city and county to attend their bicycle meet to be given in that city June 14. Ample accommodations have been for everyone. Wheels will be checked and stored indoors free of charge. After dinner runs will be made to various points around the city. The Crawfordsville boys are royal entertainers, and a good time will surely be had by the visiting knights of the wheel. - *typed by kbz*

The Tallyho Wheelmen will on Monday file a complaint against one or two residents of this city who refuse to give part of the roadway to them. One man who held his horse in the middle of the road and gruffly refused to turn out caused several wheelmen to sustain bad falls. - *typed by kbz*
