

(William) Edward BRANDKAMP

Source: Crawfordsville Weekly Journal, 18 October 1895

E. Brandkamp, an inmate of the poor farm, met with a serious accident Wednesday. He was on his way to the farm, along the Monon railroad, and fell through a cattle guard, breaking his leg at the thigh. As he is an old man the injury will prove a very serious, and perhaps, a fatal one. - transcribed by KH
