

Frank CLARK

Source: Waveland Independent Waveland, Montgomery County, Indiana Dec 14, 1917

Frank Clark came over from McCowan, III Sunday where he has been husking corn for his brother. He jerked off 1500 bushels in 14 days for which he received 5 cents a bushel and his board. He returned on Wednesday. He expects to move to that place in January having contracted to work on a farm for the next year.
