Waveland, Montgomery County, Indiana

May 23, 1919

Will Cuppy and son Marion were in town the early part of the week. They attended a family reunion at the home of Mr. and Mrs. John Koch at Greenwood Sunday. Marion recently returned from France where he saw active service with the Keystone division in a machine gunsquad. He was in the fighting at Chateau Thierry and Argonne Forest, but escaped without a scratch. He served 3 year sin the PA National Guard and was with Pershing on the Mexican Border, which he says was a picnic compared with France. Will Cuppy has bought a farm near Lancaster PA which will be in charge of his son, Hazlett who was also in France but not at the front.
