

## DAVISSON

Source: New Richmond Record 28 Jan 1915

Mac Davisson, who had his jawbone broken in the Fairmount basketball game two weeks ago, was able to be brought home from Lafayette Saturday. He is improving nicely and his friends hope to see him soon well again. Mack is able to get down town every day and mingles with his friends in driving time away. Except for his teeth being wired together and his lower jaw immovable for some three or four weeks yet, and in the meantime he dines on soup and semi-solid food, he seems little the worse for his very serious injury.
