Source: Crawfordsville, Montgomery County, Indiana Weekly Argus News Oct 1, 1896 p 1

The Argus News said that Mrs. Lucy Woodruff of Waveland, who is a guest of Capt. and Mrs. HH Talbot is perhaps the oldest native born Indianaian in Montgomery County, being 76 years old and born in Washington County," said a citizen this morning. "Well, that was a mistake, Mrs. Mahala Gray, relict of the late Robert Gray, was born in Clark County Nov 8, 1808 and is now 88 years old." - kbz
