Tom Hall family receives help

Mrs. Tom Hall, who has many friends in this city, and for many years employed in Yount's Woolen Mills enjoyed a pleasant surprise on Last Thursday night. her husband's health has been very poor for some time and her time was necessarily devoted to him and his welfare. They were in needy circumstances and kind friends circulated a petition to aid the worthy family. The move was heartily responded to and on Tuesday evening the fruits of their labors consisting of \$50 in money and much provisions, were presented them.
