

## LEE HANKINS FAMILY IN NEED

Source: Darlington Herald newspaper Nov 15, 1918

The wife and children of Lee Hankins who died at Frankfort a few weeks ago are now living here and are in destitute circumstances. Last week Lew Burk circulated a paper asking donations of money and received a nice sum for them. Saturday night the Young Married Ladies Club took them food and they say they never saw any one more thankful. No doubt there are many other people here who will be glad to give them aid when they know how badly it is needed. -- kbz
