

GEORGE HARNEY FOR CANDIDATE

Source: Daily News Review, July 10, 1900 p 2

Montgomery County will present George S. Harney as her candidate for the congressional race in this district at the approaching convention. Mr. Harney is a young man of good address, an excellent speaker and would give Mr. Landis the fight of his life. He is a life long democrat and stands well at the Montgomery County bar. He was a volunteer soldier in the Cuban War and his conduct in that respect was in striking contrast with that of Mr. Landis who never smells gun powder except on the Fourth of July. Mr. Harney's friends are active and enthusiastic in his support and are busy just now pushing his claims. The News-Review takes please in presenting his name at this time - transcribed by kbz
