

MELVINA BIRCHFIELD - fight with BRIDGET MURPHY

Source: Crawfordsville Weekly Review 14 August 1874

Melvina Birchfield called at Bridget Murphy's to ask if Mrs. Murphy had said that she (Melvina) had stole a chicken. Mrs. Murphy told her to "git out." Melvina got out with a sore head and black eye. Bridget's bill was \$11.05. Bridget then filed a complain of provoke against Frank Birchfield, Melvina's husband, which was tried yesterday.
