Source: Thursday March 18, 1943 Waveland Independent

Mr. and Mrs. BB Peabody of Warsaw Indiana moved to town this week. Mr. Peabody has accepted the general managership of the local stone quarry. The family consists of a daughter Mrs. Venor Ray whose husband is in a medical corps stationed in Panama. The Peabodys have occupied the Emma Jacks property from which she moved Monday to her new home in Crawfordsville. We are sorry to lose Mrs. Jacks but extend a welcome to our new friends. kbz
