

Joe RAGSDALE

Source: Waveland Independent, Waveland, Montgomery County, Indiana, March 22, 1935

John and Joe RAGSDALE who have been living on the John LAMSON place SE of town were taken to the Parke County Home on Monday. It will be remembered that John fell and fractured his hip some months ago. He is still badly crippled and Joe is in poor health and is not able to look after him. --kbz
