

MATTIE STOUT \_ insane

Source: Crawfordsville Star, Nov 26, 1896

Mattie Stout, aged 20 years, daughter of Wilson Stout, of this city, has been adjudged insane by a commission composed of Justices Hanna and Stilwell. Miss Stout has not been in good health for some time, but the first appearance of her mental affliction became manifest 3 weeks ago and on Friday night she became violent. It is believed that her affliction is of that nature that will quickly yield to treatment. It is a case of great sadness - transcribed by kbz
