

## ROBERT WEESNER FAMILY MOVING

Source: Darlington Herald Darlington, Montgomery County, Indiana Friday July 21, 1916

Robert Weesner returned the first of the week from a prospective tour thru Wisconsin and Minnesota and reports that as soon as arrangements can be made will move his family to Polk County, Wisconsin. The many friends of the family will regret their departure and sincerely hope the change of climate will be beneficial to the little daughter who has been in poor health for some time and to Mrs. Weesner who is affected with hayfever. As for Bob, we don't care much but we do miss that good butter he made. While in St. Paul he was the guest of Mr. and Mrs. Adolph Neumann. - transcribed by kbz
