

Membership

Over the years, our membership has grown, and recently we moved into a permanent location that is open to the public that serves as a resource center for research as well as a museum for our county artifacts.

As an all volunteer, 501-3(c) not-for-profit organization, our strength is in our membership. As a member, you will receive a notice as to the location and topic of the program of our monthly meetings, as well as a free copy of our newsletter, *The Newcomer*. Members are encouraged to join in on the fun of our special committees and activities throughout the year, but being a part of our group is the most important function to us!

The Family History Division of the society serves as the publishing arm of our organization. Their activities include the reprinting of several local books on the area, helping educate our county fourth grade students through the creation and publication of the Newton County Historical Coloring Book, as well as many other projects. All of the profits from the sale of these items are utilized for future projects and publications. There are additional dues to join this division, which contribute to the support of their efforts.

The annual dues are valid January 1 through December 31st of each year. Please send your check payable to the Newton County Historical Society, P. O. Box 303, Kentland, Indiana 47951.
