The Student Council

The Student Council is a group of students which represent the school. The students are elected by popular vote of the class and these students represent their class in the organization. A member from each organization is also present at the meetings. It is very interesting to know the function of the Student Council. Mr. Reel may have a subject on which he would like to get the students opinion. He states his question and the students are free to discuss it. The students should be commended on the good work which has been done during the year of 1929 and 1930 and we hope we have pleased Mr. Reel, the faculty the student body and all others with decisions which we helped to make.

An Experiment in Democracy

Boy's and Girl's Police Force

The chief duty of the boy's and girl's Police Force is to set examples for others and not to penalize. They have fulfilled their purpose to the best of their ability. The court is to give the sentence or penalty to each person brought before them. Although the court is a new division of our police force it is a great idea. We are sure the police force and court is one of the greatest organizations in our school for good citizenship.

Orchestra and Glee Club

The high school orchestra consists of 14 members. Four violins, five saxophones, three clarinets, trumpet, and bells. At the first of the year the members were mostly beginners and under the careful instruction of Mrs. J. H. Burton we have improved very much. Mr. Reeves and Mr. Woodard, the teachers, also helped us very much.

An Aztec Five was also organized. This orchestra played popular music for the Parent-teachers play and also for the Junior class play.

After Christmas Mrs. Burton organized a violin ensemble, she herself playing the bass violin. This made wonderful harmony with the others who were playing different parts.

Those members of the orchestra were: Doris and Frank Nickle, Inez Ayers and Kathleen Emmert, violins; Bobbie Jack Brown, Paul Machledt and Lee Causey, clarinets; Charles Brown, William Presslor, John Reel, Howard Mathas and Max Causey, saxophones; Adrain Bord, trumpet; Harriet Brown, bells; and Jaunita Prow, piano.

Girls' Basketball

The girls' basketball squad began practice this season with every indication of a very successful year. The coaches, Miss Manwaring and Mr. Reel, put forth their best efforts to have the biggest and best year yet, all players showed good spirit by responding with a will.

All the old team was back at practice with the exception of Evelyn Johns and Genola Bord who graduated. We add also that Elizabeth Durham, a senior, was unable to play this season.

Our record in the past makes us love to call the roll of the veterans: Mayme Jackson, Henrietta Jackson, Vera Vermillion, Helen Rukes, Ann Walldridge, Mary Craft, Rhea Ellis, Margaret Woodard and Elsie Branson.

In addition to this we have the following new girls: Kathleen Emmert, Inez Ayers, Cleo Woolverton, Dorothy Wells, Fay Smith, Catherine Morgan, Mary Smith, and Juanita Prow.
