Jr. Varsity Basketball

The B-team girls got off to a fast start this year but cooled off toward the end of the season. But before the year was over they compiled an 8-8 record, and that's not bad for a young team.

The golf team had a good season team-wise but unfortunately not record-wise. Everyone dropped his score at least five strokes and put it together to take second in the conference. Don Graves tied for low medalist in the TRC. Don was also low medalist for the year on the team. Joe Newlin finished a close second.

FRESHMAN BASKETBALL

The freshman had a very fine season this year with a 5 and 1 record. There is a lot of talent on this years team and look for some of these guys to add to next years varsity and B-team records.

ORGANIZATIONS

DRAMA CLUB
MRS. BEMIS, DIRECTOR

The newly formed Drama Club put on its first play in December. All actors and actresses banded together to perform to the best acting quality. The play was entitled The Spirit of Christmas and it was performed at the Ritz. Mark Hill was voted president for the Drama Club.

F.F.A. AND HOME EC. CLUB

The FFA, an organization for farm interested actors, sponsored activities during national FFA Week. There was a contest between the female directors (teachers) to see who could drive a nail the fastest. There was also a volleyball game between the FFA and the Varsity volleyball team. The FFA sold fruit again this year and had a great promotion.

There was a new organization formed this year for those actors and actresses who appear in domesticated roles. The FHA sold jewelry to raise money for their treasury.

And for those actors and actresses who won the most emmys, the National Honor Society provided an organization for them. They went out on a toy drive for the Vermillion County Hospital children and turned in an excellent donation.

NATIONAL HONOR SOCIETY AND STUDENT COUNCIL

The government organization for our performers, the Student Council, raised money this year for the Senior scholarship fund. They also hosted the Parent-Teacher conferences.
